Sir,

I have the honor to submit for the orders of Government the enclosed petition from one Hanuma of Kadur for the grant of Survey No 124, Extent 8-20, Assessment Rs. 15/ of Kadur Kasba.

2. The first applied to the Amildar for the land and another man Sandre Gauda having also applied for the same land it was sold by public auction. Hanuma bought it & the Amildar submitted the sal

With records ending 20th Kadur Amil's report dated 10th inst (to be obligingly returned)

sale records bone for confirmation.

3 But as the land was found to be within a radius of half a mile of the Railway Station. I declined under para 5 of the Proceedings of the Dewan No. 4627-35 dated 24th November 1887 to confirm the sale.

4 - When at Kadur last week I inspected the land. It is more than 3 furlongs away from the Railway Station, on the opposite ~~side~~ and there is no probability of it ever being required for Railway purposes. Survey Nos. 120, 123, 116, 117, 118, and 119, which lie close to Survey No. 124 are all cultivated and the land in question has generally been so.

5 It is highly improbable that either the Station or the small town of Kadur will ~~soon~~ extend itself in the direction of this field and it seems unnecessary and inadvisable to keep this land out of cultivation in anticipation of their doing so. I therefore beg to recommend that it may be given over to Hanuma.

I have the honor to be

Sir

Your most obedient servant
